March 1, 2021

One Agency. One Mission. One Voice.

We're changing our GPRA submission process, so providers have seamless options to submit data!

Old System Barriers

Difficulty submitting GPRA through Adobe Submit Form

Limited options to submit GPRA

Multiple steps to storing GPRA

New System Pros/Solutions to Barriers

When providers submit GPRAs to the new system, they will not need an account.

Multiple (simpler) options to submit GPRA

Reduced steps to store GPRA

GPRA submissions for the next fiscal year will not be submitted by clicking the submit button.

If your form includes 'Submit Form' in the top right-hand corner, you are using the old form. Find the updated form without this option.
