

Event Name: Community Conversation

Target Audience: All

Date: Wednesday, September 16

Time: 6-8pm ET

Registration: <https://www.crowdcast.io/e/dc-community-3/register>

Description: HIPS will be hosting its third Community Conversation of the year on safer consumption spaces (SCSs) -- also known as safer injection facilities. Join this virtual event to learn more about what SCSs are, existing models, their benefits and research on their efficacy, current U.S. policy, and what implementing a site in DC might look like. This event is FREE and open to the public.
